Certificate in Biblical Leadership

This two-year program is ideal for the person looking to apply biblical leadership skills in their everyday lives: in ministry, the marketplace or the home. This program combines biblical studies with practical leadership skills.

Investment: \$1500/year + \$200 Annual Tech Fee

Certificate in Biblical Studies

Graduates of this ten-course certificate program are equipped with a more developed cultural and literary understanding of the Bible, ideal for team and small group leaders.

Investment: \$850/year + \$200 Annual Tech Fee

Individual Courses

Learn at your own pace by diving deeper into a biblical or leadership topic. Lifepoint College courses are available independent of certificate programs. Courses taken individually can be applied toward future certificate enrollment.

Investment: \$250/course
